Welcome to Synod Assembly

From Bishop Bill Tesch

Dear Siblings in Christ,

It's a privilege to welcome you to the 2026 Northwestern Minnesota Synod Assembly.

This year we gather under the theme *Grace in the Digital Space*. Though we are meeting through screens and across miles, we trust that the Holy Spirit is not confined by bandwidth or geography. The same Spirit who gathers us around Word and Sacrament gathers us here — in living rooms, church offices, kitchens, and fellowship halls — binding us together as one body in Christ.

Grace has always found its way into unexpected places. Today, it meets us in pixels and microphones, in shared documents and Zoom squares. Even here, especially here, we listen for God's call, discern together, and participate in the work of Christ's church in Northwestern Minnesota.

Thank you for serving as a voting member of this year's Assembly. We are grateful for your faithfulness in your congregation and community, and for your willingness to gather in this digital space for the sake of our shared ministry. We are also excited to partner with LiveWire this year as we pilot new ways of gathering, engaging, and participating together online.

As we worship, deliberate, elect leaders, and make decisions for our common life, may we practice grace with one another — in patience, careful listening, thoughtful conversation around memorials, and trust. Our life together is rooted, not in perfect technology or seamless processes, but in God's steadfast love for us and for this church.

Throughout our time together, we will:

- Gather in worship and prayer
- Hear from keynote speaker Pastor Jeremy Steele
- Receive a word from our Churchwide Representative, the Rev. Louise Johnson
- Consider resolutions brought forward by conferences and the Synod Council
- Discuss and act on the FY2028 Mission Plan
- Welcome new ministers into the life of this synod
- Commission Synod Authorized Ministers (SAMs)
- Hear reports and stories from across our shared ministries and partnerships

Wherever you are joining from today, you are part of something larger: a synod called, connected, and sent.

Welcome to Synod Assembly.

Bishop Bill Tesch
Bishop of the Northwestern Minnesota Synod

"I am the vine; you are the branches. Those who abide in me and I in them bear much fruit, because apart from me you can do nothing" (John 15:5).

March 23, 2026

Dear siblings in Christ,

As you gather for your synod assembly, I want to express my gratitude for what you are doing — and have been doing — for this church, *our* church.

In the months since I was installed as presiding bishop, I have been focused on connection. Some of you have heard me talk about what it means to be a connected church. This vision of connectedness grows directly out of one of the three priorities we, as the Evangelical Lutheran Church in America, have named for this season of our life together.

When we lifted up these priorities, we committed ourselves to them not as abstract ideas but as guiding commitments for how we live and serve as church. As I reflected on them, the third priority stood out with particular clarity: to be a connected, sustainable church, raising the bar together.

That priority has been shaping my thinking and my leadership. It asks not just what we do but how we do it — together, across congregations, synods and the churchwide organization. Connectedness is not a program or a slogan; it is a way of being church that recognizes our shared calling and our shared responsibility. This is not my church. It is yours. It is ours, together. The ministries you carry out in your congregations and synods are not just yours — they are ours together.

Over the next several years, you will hear this priority expressed with greater focus and clarity. In 2026, our emphasis is on connection — strengthening relationships, listening deeply and recognizing how much we depend on one another.

In 2027, you will begin to hear me speak more intentionally about sustainability — how we steward our people, our resources and our structures so that our witness remains strong for generations to come. By 2028, connection and sustainability will come together in a shared language of togetherness, as we more fully live into who God is calling us to be as church.

So, when you hear language about being together, it is about living out the ELCA's vision of a world experiencing the difference God's grace and love in Christ make for all people and creation. It matters deeply to me that we know who we are, moving forward as one body, trusting God and one another.

I believe this is how connection is built — not by standing alone but by being church together.

With gratitude and hope,

The Rev. Yehiel Curry
Presiding Bishop
Evangelical Lutheran Church in America

2026 NWMN SYNOD ASSEMBLY

...grace in a digital space

The Holy Spirit has never been limited by geography.

And today, “the ends of the earth” look a lot like the phones in our pockets and the screens on our desks.

At this year’s Synod Assembly, we will explore how grace shows up in places that are sometimes chaotic, noisy, overwhelming — and yet still holy. Together, we will reflect on how digital tools can help us share the gospel, foster relationships, tell the truth, and bear witness to Christ’s love in an online world hungry for connection.

As congregations continue navigating changing forms of communication and community, we will consider what faithful digital discipleship looks like for churches of every size and context. We will celebrate the many ways God continues to work through creativity, courage, pixels, and people.

Our hope is that this Assembly will encourage deeper connection, spark new imagination for ministry, and remind us that God’s grace is already at work — even in digital spaces.

Keynote Speaker

Jeremy Steele is a skeptic. He’s also a Pastor. He is one of the most followed faith voices online, with almost a million people engaging with his content every week.

He has helped thousands of people navigate hard conversations about politics, identity, belonging, and spirituality without falling into alienation or tribalism. Alongside his work in faith communities, Jeremy also helps businesses and employees explore hot-button issues with respect, fostering workplace environments where people can disagree without tearing teams apart.

As a speaker, Jeremy invites people to rethink how they approach hard conversations and complicated relationships using practical tools to help bring people together.

Glossary of Terms

ELCA Terms:

Call: For Lutherans, “call” or “calling” refers to the vocations of every Christian—the roles in which they live out their baptismal faith, such as family member, citizen, worker, or church member. In the context of public ministry, a call is an official invitation to become a public minister in this church. A pastor or deacon receives a call as he or she begins serving a congregation, institution, or agency of the church.

Conference of Bishops: The 65 bishops of the ELCA meet for prayer, deliberation, and discernment.

Church Council: The governing board of the ELCA, entrusted with the business of the ELCA between triennial churchwide assemblies.

Churchwide: A term referring to any ministry, process, or emphasis carried out across the entire ELCA. The term is also used to refer to the ELCA’s headquarters in Chicago, Illinois, which is housed in the ELCA Lutheran Center near O’Hare Airport.

ELCA: Evangelical Lutheran Church in America (Denominational title), formed by the 1988 merger of the American Lutheran Church (ALC), the Lutheran Church in America (LCA), and the Association of Evangelical Lutheran Churches (AELC). This church body has three expressions: congregations, synods, and the churchwide organization, headquartered in Chicago. The ELCA has over 4.2 million members in about 10,000 congregations (2010 figures).

Full Communion: A relationship between Christian denominations in which each fully accepts the validity of the other’s ministry and sacraments.

Full Communion Partners: In the ELCA this term refers to those denominations with which we enjoy full-communion relationships: Episcopal Church, USA, United Methodist Church USA, Moravian, Presbyterian Church USA, Reformed, and United Church of Christ.

Portico: Portico, a nonprofit corporation based in Minnesota, provides retirement, health, and related benefits and services to enhance the well-being of nearly 50,000 pastors, deacons, lay employees, and their families. Portico’s vision is for those it serves to lead healthy lives and achieve financial security.

Presiding Bishop: The pastor elected by the churchwide assembly to lead the ministry of the entire ELCA; currently serving is Presiding Bishop Elizabeth Eaton.

Region 3: One of the nine regions of the ELCA and includes nine synods. Region 3 consists of the synods in Minnesota, North Dakota, and South Dakota.

Synod: In the ELCA, one of the 65 geographical units or expressions of the church. The word synod is Greek for “walking together,” thus, each synod is the partnership of the ELCA congregations committed to partnering together to enhance ministry. The synod is not an office or a staff, it’s a partnership.

Synod Assembly: The Synod Assembly is the highest legislative authority of the synod, with a regular meeting held at least tri-annually. All rostered ministers under call, Synod Council members, and lay representatives from each congregation within the synod serve as voting members.

Synod Terms & Facts
